Jubilee Sponsorship Benefits

As you consider your gift, think back on the role Temple Solel has played in the life of your family. Perhaps Temple Solel Clergy named you (or your child/grandchild), conducted your Bar/Bat Mitzvah (or that of your child/grandchild), presided at a family wedding, or was there to offer comfort and support in your time of need. Perhaps our devoted Clergy inspired or uplifted you at the High Holy Days, at an educational program, in religious school, or during Shabbat services to seek a deeper, more purposeful life. Perhaps you or your parents or even your grandparents were among the Inaugural Members of Temple Solel, those pathfinders who helped establish this magnificent institution. Look at our legacy now – 50 years later. Our dedicated Past Presidents and staff have helped us achieve this remarkable milestone in the life of our beloved Temple. It is time to gather together to reminisce, celebrate our past, and honor these deserving individuals and our future. Please give from your heart.
